elequil aromatabs®

aromatherapy designed for the clinical setting

Instructions for Use

1. Determine the scent level of the Elequil Aromatabs® tab by selecting:

MAX SCENT for the full effect of the essential oil or

MIN SCENT for a lighter effect of the essential oil

2. Using your thumb, press down and hold the self-adhesive aromatherapy tab in place on the paper backing. With your other hand, pull and tear the clear cellophane pouch away from you at the preferred NOTCH to expose the scented tab.

3. Lift the self-adhesive Aromatabs® off the paper backing.

4. Place a self-adhesive Aromatabs® on the upper chest or back of clothing or hospital gown during use.

No metal/foil (safe for MRI and/or Intraoperative Procedures)
